### Academics

#### MATH

- Rounding numbers
- Place value
- Introduction to Geometry

#### Literacy

- Read/discuss with someone procedures
- Reading non-fiction– answering questions using evidence from the text
- Making inferences
- Suffix –ed, when to double the consonant
- Writing about our reading

#### Science/Social Studies

- Observing changes - water in petri dishes after a couple of days– some covered, some uncovered
- Branches of government

### Teacher Notes

#### School Picnic Aug. 25, 5-7 pm

The PTA will be hosting a picnic for TCE families on the evening of August 25th. Families are invited to come eat and mingle. Come get to know your classmates and their families. Gussy's Greek Food Truck and Jams Ice Cream will be set up. There will also be music, games and a photo booth!

#### Cog At Testing

Next week, students will experience 3 days of standardized testing (Tues-Thurs). Please make sure your child gets plenty of rest and eats a healthy breakfast each morning. This testing will help determine candidates for the AIG program.

## Save the Conference Dates

These conferences will be student led so you will need to plan on bringing your child to this conference. To sign up for an available day and time– click here [Sign up genius](#).

Your child will walk you through the process, sharing with you their data and work samples. You and your child will write goals for quarter 2! I will be available to answer questions.

**August 31 & September 1**

**4:15-5:15 pm**
