- Setting up routines and procedures for guided reading groups
- Writing about our reading

Science/Social Studies

- What does a scientist do? What does a scientist look like?
- Read the book, "What If Everybody Did that?" and discussed the importance of rules

Teacher Notes

Time for Kids Magazine

Third graders will need to purchase a subscription to a weekly magazine called "Time for Kids". Teachers will use this to supplement our reading program in non-fiction. The cost of the subscription is \$5.00. (If you pre-ordered supplies you have already paid for this) Please make checks payable to TCE PTA.

Homework & Agendas

On Monday, I will start holding students accountable for having their agenda signed by their parents each night. Students must bring this to you and ask you to sign it, indicating you know their assignments and they have completed them. This agenda is OUR (parents and teachers) primary means of communication. It must be checked each day. All assignments are written down by the student in class and due the following day unless noted otherwise.

LEAP : TCE Expectations

Staff and teachers at TCE have been reinforcing the expectations for behaviors in and around our school. We have been referring to an acronym called LEAP. Please help your child understand these expectations are to ensure the safety and well being of all students at Turner Creek. A more detailed list of expectations will come home Monday for your review.

- L - LIVE SAFELY**
- E - EXPECT EXCELLENCE**
- A - ACT RESPONSIBLY**
- P - PRAISE & RESPECT ALL**
